MISSION IN ACTION

We have been blessed in our parish by the presence and witness of Mike Seawright, founder of Relief Aid and currently working on the ground in worn-torn Gaza.

Mike's inspiring presentation was a call to all of us

- ◆ To be grateful for the abundance of blessings we experience in our country.
- ◆ And also to take to heart the responsibility for our sisters and brothers who live on the edge of extreme poverty and starvation .

We are one in our common humanity which connects us in a way we cannot disown.

Jesus' desire that we may all be one becomes real and visible through our human journey.

What can we do?

Committ to pray often.

Give practical assistance.
