## Reflection for Today

### Following Jesus

God has plans for each of us, plans for hope not for disaster. Each one of us has a personal vocation. God prepares us, knows what he wants for us before we are born. As young people we grow in wisdom, age and strength before God and others. During our journey of life, we listen and try to respond to God's vision for us. How are we connected to God's plan for us? How are we using the talents and gifts God has given us to grow his Kingdom?

There are many ways by which we can follow Jesus. A single life, as consecrated religious life, as priest, as married couple, or consecrated widowhood. Whichever path we follow we try to keep focussed on Jesus living in his way. We try to keep looking resolutely ahead not looking back. In our daily meeting with God in prayer we review how we are doing. What is taking us off our path? What is keeping us on or path? Jesus went resolutely ahead towards Jerusalem and his death not allowing events to take him off task.

- \* Being faithful to following Jesus has its demands and challenges
- \* Show me Lord the path of life
- \* Speak Lord your servant is listening

You are still required to sign the Minister's register, so the Mass Co-ordinator is aware of your attendance. Readers are requested to sit at the front of the church for easy and quick access to the lectern/ambo, and once completed your reading return to their families. It is important, that if you are unavailable on the day you are rostered, to find a replacement or contact the office.

## YOUTH CORNER

Tēnā koutou and welcome to our youth corner with more interesting news to share. On the Solemnity of Corpus Christi, we celebrated the Holy Mass and followed by Life Teen Social Night. The theme was Lessons in Love. The goal of this theme is for the teens to have fun, get to know each other, and grow in community as they play a series of Valentine's Day inspired games.

We are starting a new series today known as Signs and Wonders, a Life Night Series on Miracles. This series is divided into four parts and the first one is Anticipate. The goal is to introduce miracles in the context of God's goodness and help teens grow in expectant faith.

We would like to acknowledge the Pablo and Villanueva families who sponsored the dinner last Sunday.

There are some families had taken part in this journey by sponsoring dinner for the group which is a huge contribution to this program.

If you would love to be part of this by helping with the Sunday dinner, please let us know or contact the Parish office.

Thank you so much everyone for your prayers and support in many ways.

**God bless, Youth Team.**

It was a privilege to have our new classroom block opened and blessed on Wednesday 22 June. A great day of celebration and excitement for our staff and students. ## Sacred Heart College

We have our final visit from our intermediate schools for our Hearts session for the year this week. We have thoroughly enjoyed getting to know the Year 8 girls from St Mary's, St Joseph's and St Patrick's intermediates and we look forward to welcoming them into the Sacred heart sisterhood in 2023. Students from our Social Science classes will attend the Hawke's Bay Model UN conference at Iona College on Wednesday. Our Marian Choir performed at The Big Sing. With limited time to prepare the Choir sang one piece, an African Alleluia. They were outstanding, and Ruby Lo won the Best Student Accompanist award for the second year in a row. Students from Sacred Heart College and St John's College were combined winners in the Sustainable Innovation Challenge held at the war memorial centre last week. Our next Sacred Heart College & St John's College Combined School Mass will take place at St Patrick's Church on Sunday 3 July at 10am. Our Open Evening takes place on 17 August this year. Please pop this date on your calendars and let your friends and family know.

## St John's College

This week our Y12 and Y13 students spent Tuesday morning at the careers expo in Pettigrew Green. Always a useful exercise for our young men as they endeavour to make sense of their futures. On Friday, a group of students and staff gathered at 6:00 am at the College to welcome in Matariki. The early morning crispness combined with the warmth and light provided by the fires, the singing and waiata by our students and the community of a shared meal at the end made it a wonderful occasion.

## Final opportunity to give to the Bishops' Lent 2022 appeal

It is now two months since the end of Lent, during which time you'll recall Caritas ran the Bishops' Lent Appeal. We are incredibly thankful to all those who gave to the Lent Appeal. This Appeal supports Caritas in working with poor and vulnerable communities around the world, engagement with Catholic schools in New Zealand, and social justice work here in Aotearoa New Zealand.

We recognise that 2022 was a difficult Lent, with Covid restrictions, limited Mass numbers and some challenges in having a regular parish collection at Mass. So, we wanted those who hadn't had an opportunity to give, to have another chance to do so.

Caritas is still accepting donations, either in a Lenten or marked "Lent" envelope in Mass, or online through its website at [www.caritas.org.nz/donate](http://www.caritas.org.nz/donate). You can also contact Caritas directly either by email at [caritas@caritas.org.nz](mailto:caritas@caritas.org.nz), or by phone on 0800 22 10 22.

Thank you again for your generosity.

## HELP NEEDED! Can you help us?
