## 32ND SUNDAY IN ORDINARY TIME 6th November 2022

### Reflection for Today

We need to look at the context of the Gospel today. Jesus had reached Jerusalem for His final Passover feast. Towards the end of Chapter 19, Saint Luke describes that Jesus wept over Jerusalem, cleansed the Temple, and started teaching there. Following the two controversial questions in early chapter 20, (when the chief priests, scribes, and the Pharisees tried to trap Jesus, asking "Tell us, by what authority are you doing these things, and who is it who gave you this authority?" and "Is it lawful for us to pay taxes to the emperor, or not?") the Sadducees face Jesus with another preposterous question. They did not believe in any kind of bodily resurrection, yet they wanted to discredit Jesus and undermine His teaching and ministry. However, Jesus turned the tables on them. Jesus tells them that life after death is much more than anything we have here. There is an intimacy with others and with God that far surpasses any relationship we have in this life. That is what our faith is about.

Our goal is that one day we will be in heaven with our Lord. That is what we hope for, for ourselves and for those whom we love. We want to be in the presence of God for all eternity. We believe that our Lord is the Lord of the living, not of the dead, therefore, we need to reflect on the direction of our lives. We need to examine all the things that we do. We are also being reminded to check our ambitions. Are we worrying too much about all the things around us? Are we allowing our possessions to take control over us? Whatever happens in our lives, we need to remember that everything in this life can come and go very easily. So, we can spend a bit of time this week to reflect and ask: What are we looking for in our lives?

### THERMALS 2022

Once again, we had a very successful year. Suzanne and I are very grateful for the support, both in prayer and financially, that we received from many parishioners of the Catholic Parish of Hastings. We supplied at least 1,255 children across 26 schools in Flaxmere, Hastings and Havelock North with sets of thermal clothing.

\$6,680 was donated from the CPH.

Grants were received from Catholic Charities, Harcourts Foundation, Clubs Hastings, HB Foundation, Lion Foundation and Trust House, Flaxmere.

Donations were received from Peter Fama, St Vincent de Paul – Our Lady of Lourdes (Havelock North) and Pepping Building Company Ltd. We are very grateful to everyone, especially Jean-Ann Ferguson, whose support is essential.

## YOUTH CORNER

We are starting another Life Night series called 'Belong'. The first life night is Alone – A life night on Solitude vs. Isolation. The goal of Alone is to help teens recognise their experiences of isolation and loneliness and motivate them to move from isolation to solitude, before God, and into community with one another. If you know anyone 3<sup>rd</sup> Form – 7<sup>th</sup> Form, please extend an invitation for them to join us every Sunday.

The 10<sup>th</sup> of December is the Christmas Concert. If you have anything you would like to donate for the youth raffles, this would be greatly appreciated.

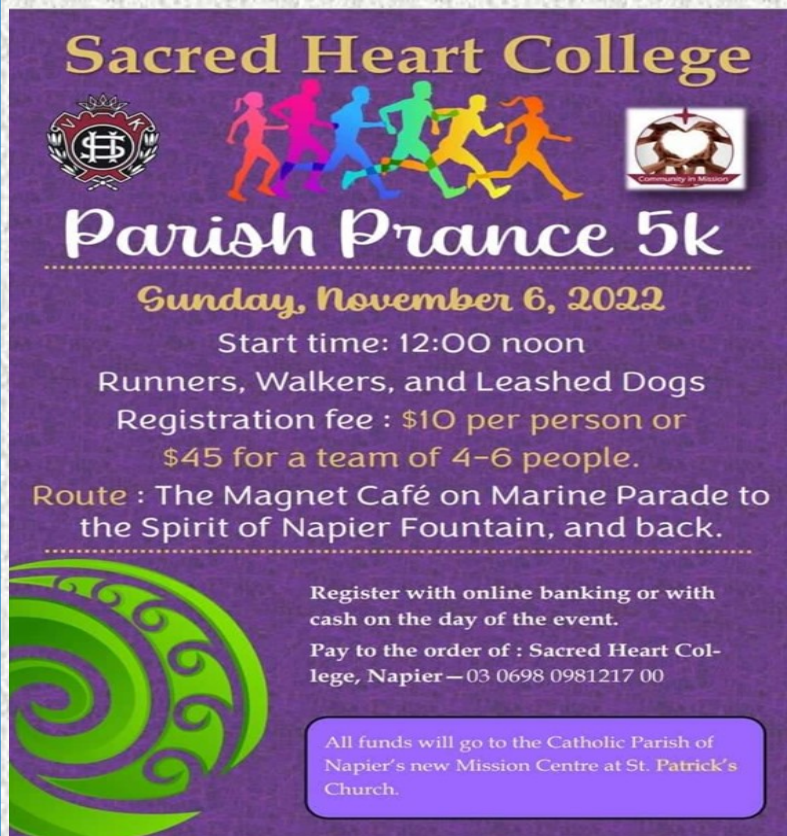

The youth will be participating in another fundraiser this weekend in Napier - A 5KM walk. We will be doing a sausage sizzle and bake sale. If any parishioners would like to come and support us that would be appreciated. Starts at 12noon. See Poster for details.

Please continue to pray for the youth and the youth team. Be assured of our prayers for you all.

Thank you all for your ongoing support.

God bless,

## RECYCLING

During the 3<sup>rd</sup> school term, St Mary's Catholic School took part in a competition involving 12 HB schools to collect metal and plastic tops/lids. To assist our kids at St Mary's, our recycling was donated to them instead of going to the Environment Centre. We are delighted that St Mary's came a very close 2<sup>nd</sup> behind Haumoana School. This was a great learning opportunity for our young people, excellent for the environment and also means that the pupils will be treated to a visit and teaching from Nano Girl, so well done St Mary's. We are now back to taking everything collected at Sacred Heart to the Hawke's Bay Environment Centre.

## St. Mary's Primary School

We have another busy couple of weeks this next fortnight. This week some of our Middle and Senior and Middle Team students, on Wednesday, have participated in a Ki-o-rahi Tonomaha tournament with other schools in our area. On Friday we celebrated our school's Patron Saint, Mary, this week. The festivities included a whole school Mass followed by Talent Quest, shared lunch and tabloid sports. The Feasts of All Saints and All Souls Day were celebrated within classes and at Assembly.

Our middle and Senior Teams are busy preparing for their end of year camps. These provide a great opportunity to build on the relationships the children have made during the year and to expose the children to activities and experiences we can't give them in the classroom.

Teachers are working hard in this last term to teach and consolidate learning while assessing how the children in their class have progressed this year so that celebrations of progress may be shared with school families.

May you have a blessed week.

Rachael Quinney DRS

## St. John's College

Over last weekend a number of teachers and students helped out at the AJ Gardiner fundraising dinner. AJ is an old boy and his two sons both came through SJC. AJ suffered a spinal injury last year playing rugby so it was important that the college showed support for him and his whanau. This week was the final week for our senior students. The Y13 students were on retreat on Wednesday at Our Lady of Lourdes after which we had our leavers' dinner at Club Hastings in the evening. On Thursday we celebrated our leavers' Mass at Sacred Heart Church where the school community got the chance to farewell our leavers. Friday was very quiet with all our senior students on exam leave and our Year 9 and Year 10 students involved in end of year tests and exams.

Please keep our young men in your prayers as they study for the end of year examinations.

Conor Bolton (DRS)

## Sacred Heart College

Our NCEA exams start on Monday, wishing our students well as they prepare to sit these exams. Year 10 students go out into the community for Work Experience on Thursday 17<sup>th</sup> November followed by a day of career workshops at school, a valuable programme for our students to experience the rights and responsibilities of the working world for a day.

It's not too late to join us for the "Parish Prance 5km" Sunday 6<sup>th</sup> November at 12pm - a 5km walk or run to raise money towards the Parish Mission Centre.

Where: Starts at Magnet Café, the port end of The Marine Parade. Registration is \$10 per person and can be paid on the day (exact money preferred). The entire community is invited to participate, and people are encouraged to register as a "team".

Year 10 Work Placement – with 91 students in year 10. We are still looking for another couple of work places for Thursday 17<sup>th</sup> Nov. We need a hair/beauty placement and a clinical role (or office admin in a clinic). If you can help at all, please contact Fiona

[fquane@shcn.school.nz](mailto:fquane@shcn.school.nz).

Maria Neville-Foster, Principal

The community celebrated the end of the month of the Rosary. A special thank you to those who organised it, and to those who participated. We encourage you to continue the devotion of Mother Mary through praying the rosary daily. God bless you all through the intercession of our Blessed Mother Mary.
