We welcome you into our faith community and to this first stage of the faith journey! Our Catholic faith is centred on our relationship with Jesus Christ. We encounter Him as a community every Sunday. A representative from the parish will visit you soon. We would love you to be involved and pray with us.

By providing the requested information, and signing this form, you are giving consent to the CATHOLIC PARISH OF HASTINGS to collect and hold your personal information. We promise to use the information you provide only to contact you, and to provide you with services that you have requested. We will share your personal information with the Diocese of Palmerston North, as our overarching agency, and they, in turn, promise to only use your personal information to contact you and provide you with services you have requested. We will not share your personal information with any other party, without your written consent. We intend to hold your personal information for as long as you remain a parishioner with us. We promise to store your personal information securely; and to securely destroy your personal information when you cease to be a parishioner, unless a matter of due process requires us to keep the information for a longer period.

You have the right to access the personal information we hold on you, and to ask it to be corrected, at any time. We request that this is presented to us in writing so that the inquiry can be assessed and actioned in an efficient manner.
