

St Mary's School Report

By Liz Crowley (Principal)

What makes our School St Mary's unique?

-We had our Special Character Review in week three this term.
We received a very positive verbal report and are waiting on the written report

-Large capital works were undertaken here last year. We now have fabulous new tiger turf play area, a new seating area and three wonderful new junior classes.

Thank you to our Seminarian Trung, the Priests of the Parish, Deb Lucy and the Parish of Hastings and St Vincent de Paul for their contribution to our school

Liz invited members of the Parish, if passing, to pop in and view the new buildings – 'it would be a pleasure to show them around' she said.
