NOVENA PRAYER FOR THE REDEDICATION

An excellent way to welcome the artwork is to share in praying the novena in the period leading up to the arrival of Our Lady. The prayer booklet is available through www.tearaamaria.nz and printed copies can be requested from the Parish Office.

Printed cards which feature the Rededication prayer and the artwork have been distributed within each of our churches and are available at the Parish Office.

Te Ara a Maria Mary's Way has some wonderful resources available through the website, including a guide for understanding the meaning and imagery of the artwork.

We encourage you all to access these resources and prepare for Te Ara a Maria Mary's Way as we pray the novena for nine days from the 5th – 13th March.
